

J.P. Hall, Sr. Children's Charities  
Guidelines for Scholarship

**Purpose**

To assist deserving high school graduates who wish to pursue higher education at St. Johns River State College or the University of North Florida. Scholarships are need-based for students who have limited financial resources and the potential for collegiate study.

**Eligibility**

Graduating senior students of a Clay County public high school with a demonstrated need for financial assistance meeting the following criteria:

1. Must be a resident of Clay County.
2. Attendance -- no more than five unexcused absences per year.
3. Must be drug free in high school and during the term of the scholarship.
4. Must be free from disciplinary action both in school and community.
5. Academically, must have a cumulative GPA of at least 2.5 in high school. If awarded a scholarship, must maintain a GPA of 2.5 each semester.
6. Must be willing to volunteer ten (10) hours working with the J.P. Hall Children's Charities.
7. Must attend the college to which the scholarship has been granted in the fall following high school graduation.
8. Students attending college must not exceed more than \$3000.00 in financial assistance from other sources.
9. Students must submit a completed application. Partially filled out applications will not be considered.

**Selection**

Selection will be based primarily on the student's financial need. Academic standing, extracurricular activities, community service, and other financial assistance the applicant already may have received will be considered.

All decisions by the Scholarship committee are final.

**Awards**

Awards, in varying amounts, to be used as partial tuition at St. Johns River State College and the University of North Florida.

**Terms**

Scholarship funds will be sent directly to the college chosen by the student and will be deducted from the registration and tuition costs upon enrollment. If the student is receiving a full scholarship to St. Johns River State College, the scholarship will pay up to twelve credit hours per semester for two years.

The scholarships may not be transformed to another college. If the student elects to attend a different college, all scholarship funds are forfeited.
