The page is titled "Course Details" and has a blue header with "Add This Course" and "Back to Courses" buttons. The main content area is divided into three numbered steps:

- 1 Choose the segment(s)/semester(s) you want to take**
Think of a segment as a traditional semester, or 16-18 weeks. At FLVS, you move at your own pace, so a segment may take you 8 weeks or 24 weeks. Two segments equal a full year of any course.

Segment 1
Prerequisite(s): Must be at least 14 and a half years old.
 I understand this course has prerequisite(s) and I acknowledge that I have met these requirements.
- 2 Choose your preferred start date**
Students are placed as quickly as possible according to their requested start date. At certain times of the year, there may be a slight delay due to high volume requests. We continue to place students into courses as seats become available. This means that you may be placed after your preferred start date.
